

TTUHSC Weave **Cheat Sheet** Educational Programs

Continuous Improvement Plans and Reports

PROGRAM/UNIT MISSION

- A Mission Statement is a brief statement of general values and principles which guide the program curriculum or department goals.

PROGRESS ON PLANNED IMPROVEMENTS

- Review the Targets marked as **Partially Met** or **Not Met** from the previous cycle. Elaborate on the actions you took in the current cycle to address those issues. How has student learning improved as a result of these actions?
- If you marked **Met** on all Targets in the previous year, please give a brief summary of program/unit successes or improvements that happened and the impact these successes had on the community, objectives, and outcomes. Describe student's learned knowledge and skills.

MEASURES

- For each Student Learning Outcome, you need an assessment measure. Ideally, at least one direct measure that includes data collected directly from the student performance. I

TARGETS

-

ATTACHMENTS

- Upload any key documents that provide evidence of the progress you've made toward achieving your Outcomes.
- Examples may include rubrics, assignment instructions, demonstration of data collection and calculation
