

**HSC OP:** 55.02, **Voice Infrastructure Systems, Equipment, and Services**

**PURPOSE:** The purpose of this Health Sciences Center Operating Policy (HSC OP) is to govern Voice-Over-Internet (VoIP)-related equipment and services and legacy voice, (voice infrastructure), at all TTUHSC campuses. Communication Services (CS) is responsible for providing services to meet the voice needs of all TTUHSC students, faculty and staff.

**REVIEW:** This OP will be reviewed in May in even-numbered years (ENY) by TTUS and TTUHSC CIOs with recommendations and for revisions forwarded to the Executive Vice President for Finance and Administration.
