**HSC OP:**     56.02, **Information Resources for Remote Work**

**d.    Networking and Connectivity Requirements**

Remote workers are responsible for providing their own networking/internet connectivity equipment and for the costs associated with service.

Remote workers should follow the guidelines for appropriate internet connectivity found in the [Home Network and Internet Service Provider for Remote Workers](#) information.

**4.    Access Control**

Access Control for TTUHSC devices is covered in [HSC Operating Policy 56.01 Acceptable Use](#) and [TTUHSC IT Policy 56.08 Access Control](#). Elements of Access Control related to remote work include the following:

**a.**
