

TEXAS TECH UNIVERSITY HEALTH SCIENCES CENTER

Operating Policy and Procedure

TTUHSC Grounds or Buildings

PURPOSE:

The purpose of this Health Sciences Center Operating Policy and Procedure (HSC OP) is to establish the approval process for the construction of new buildings and the renovation of existing buildings.

The purpose of this Health Sciences Center Operating Policy and Procedure (HSC OP) is to establish the approval process for the construction of new buildings and the renovation of existing buildings. This policy is being revised by the Vice President of Facilities Operations, with recommendations for revision forwarded to the Vice President for Facilities and Safety Services by October 1.

appropriate resources, the respective Facilities Operations Director will approve or disapprove the request in writing. The decision of the respective Facilities Operations Director may be appealed through the VPFSS to the TTUHSC President's Executive Committee (PEC). Decisions of the PEC are final.

- d. Blanket approvals for certain types of temporary structures may be arranged with a written agreement with the VPFSS (e.g., a designated exterior area for displaying sculpture).
- e. Certain temporary structures may requ
