The purpose of this Health Sciences Center Operating Policy and Procedure (HSC OP) is to establish the procedure for the use of TTsUHSC svehsc .zcP(I-24.1 (se) .zcP(ou))T

6. When traveling to the interior of Mexico (anywhere beyond the border cities) with a university vehicle, the driver is required to obtain a "Permit for Temporary Import of Vehicle into Mexico" at the Mexican Customs Office located at the border. This permit must be surrendered to the Mexican Customs Office at the border before leaving Mexico. This is the responsibility of the person named on the "Permit for Temporary Import of Vehicle into Mexico," and failure to surrender the permit may result in fines and/or denial of permission for the responsible party to enter Mexico in the future.
7. Upon trip completion, the vehicle travel package will be returned to the OVFM within five business days.
8. Travelers must also comply with [OP 79.04 Foreign Travel](#), in order to be approved for international travel to countries outside the United States.
