

Proposed educational activities include the following:

- x Patient care across the lifespan opportunities for preventative screening measures, primary care services and wellness and developmental care
 - o Undergraduate nursing students clinical activities will occur in collaboration with faculty and fellow nursing students from the College of Nursing at Silliman University at approved clinical settings.
 - o Advanced Practice nursing students learning opportunities will include working with local health care providers through community health clinics and medical clinics associated with Silliman University Medical Center.
- x Community engagement activities
 - o Activities will include working with faculty and students from Silliman University and community members

For the purposes of an International Program for Students, a person is considered to have a continuous relationship with the University if the person was enrolled at the University for the preceding semester and:

- x Is registered or preregistered for the following semester; or
- x If the person has not completed the person's degree program, is eligible to continue the degree program in the following semester; or
- x If the person completed a degree program in the preceding semester and is admitted to another degree program at the University in the following semester.

In addition, persons must be in good academic and disciplinary standing as determined by the person's school at the time the person applies for an International Program and at the time of the dates of travel. Good disciplinary standing is defined as relating to a student not currently on disciplinary probation; or, a student, whose disciplinary suspension, expulsion or conditions and/or restrictions imposed, if any, have been totally fulfilled in a timely manner.

Per OP 10.29, International Programs for Students, International Programs are part of a degree program. As such, schools will determine course credit being awarded for an International Program in accordance with OP 60.05.

Pre-departure Requirements:

All students selected to participate in the trip are expected to complete TTUHSC International Program predeparture requirements. Additional information about the departure requirements can be found at the TTUHSC Office of Global Health website:
<https://www.ttuhs.edu/globalhealth/requirements.aspx>
