

# Global Perspectives Film Series

FEATURING

## NOT MY LIFE

is the first film to depict the cruel and dehumanizing practices of human trafficking and modern slavery on a global scale. Filmed on five continents, in a dozen countries, *Not My Life* takes viewers into a world where millions of children are exploited, every day, through an astonishing array of practices, including forced labor, begging, sex tourism, sexual violence, and child soldiering. Challenging though it may be, *Not My Life's* message is universal. No longer hide, no longer separate ourselves.

International Slavery and Human Trafficking Prevention month.

is selected to raise public awareness about these issues.
