Course Coordinator: Michael Shalaby, michael.shalaby@ttuhsc.edu Cade McDowell, wilson.mcdowell@ttuhsc.edu

Campus: Lubbock

Department: School of Medicine

Course Description:

[LINK TO APPLY](#)

This elective will educate interested medical students about healthcare public policy in the US. This course will cover a broad range of topics, including advocacy at the national, local, and state level, impact of policy on physician-patient relationships, medical malpractice, rural healthcare, medical student involvement in government relations.

Duration: Fall 2024-Spring 2025

Prerequisite: TTUHSC student status

Purpose: Provide an established, structured method of exposure to public policy in healthcare.

Goals and Objectives:

1. Expose TTUHSC students to various aspects of healthcare public policy and how it impacts local, state, and national interests.
2. Help students to better understand the history and breadth of healthcare policy.
3. Discuss the best routes of communication and contact with applicable public policy representatives.
4. Develop a basic understanding of topics such as: advocacy at the national, local, and state level, impact of policy on physician-patient relationships, medical malpractice, rural healthcare, medical student involvement in government relations.

Course Format:

The elective will be structured around six lectures over the entire 2023 – 2024 school year. The first lecture will be an introduction to the elective. All other lectures will provide an overview of various subjects, focusing on various aspects of healthcare policy on local, state, and nation levels. There will be five lectures in the fall semester, and one lecture in the spring semester.

Location:

Sessions will be held via Zoom/in person based on logistics and current policy guidelines. The lecture series will be presented by various physicians, faculty, and community members.

Grading:

participation. Attendance at a minimum of **four out of five** lectures. There will be some additional events that can contribute to your responsibility to meet the requirements to the best of their ability.

Application:

Interested students should complete the application at the link provided by the course coordinator.
