

**Texas Tech Health Sciences Center
Student Senate Resolution
Renaming of Officer Positions**

Whereas, members of the Texas Tech University Health Sciences Center Student Government Association (TTUHSC SGA) represent students pursuing professionals and graduate degrees,

Whereas, executive officers of the TTUHSC SGA are routinely asked to serve on upper level Texas Tech University System committees,

Whereas, it is expected that TTUHSC SGA executive officers will contribute equally to the administration of SGA business,

Whereas, executive officers of the TTUHSC SGA should be recognized by titles commiserate to the responsibilities,

Therefore, be it resolved that the TTUHSC SGA Constitution be amended to reflect the new titles of the executive officers: President, Vice President of Communications (formally Vice President), Vice President of Operations (formally Secretary), and Vice President of Finance (formally Treasurer).

Therefore, be it further that these changes take effect for the 2003-2004 TTUHSC SGA executive officers.
