# CALM TRAINING

Over the last few months, we hosted five Counseling Access to Lethal Means training sessions with Erin Wittmann, Justice Involved Veterans Coordinator at the Texas Veterans Commission. We provided them via Zoom for 164 attendees as most of us transitioned to working remotely. This free training is worth 3 CEU for mental health practitioners, but anyone can attend. Stay tuned for future training sessions, posted on the HSC Announcements.

# CAMO STOLE DESIGN

The HSC Printing Center helped us to design a new camo stole for our veteran and military graduates. Our Spring graduates were the first to receive this new design.

We hope you have enjoyed this newsletter.
